

WBB Securities Acts as Co-Manager in \$40M Follow-on Financing for Corium International, Inc.

**For Immediate Release
May 31, 2017**

SAN DIEGO, CA – WBB Securities acted as co-manager to a transaction for Corium International, Inc., a commercial stage developer of transdermal healthcare products. Through an underwritten public offering, Corium International issued an aggregate of 6.44 million of its common stock to raise gross proceeds of \$40.3 million in cash proceeds from the offering.

Corium intends to use the net proceeds from this offering for product development and general corporate purposes, which may include funding research and development, increasing its working capital, reducing indebtedness, acquisitions or investments in business, products or technologies that are complementary to its own and capital expenditures.

This press release shall not constitute an offer to sell or the solicitation of an offer to buy these securities, nor shall there be any sale of these securities in any state or other jurisdiction in which such offer, solicitation or sale would be unlawful prior to the registration or qualification under the securities laws of any such state or other jurisdiction.
