

WBB Securities Acts as Co-Manager in \$52 Million Follow-on Financing for T2 Biosystems

**For Immediate Release
June 5, 2017**

SAN DIEGO, CA – WBB Securities acted as co-manager to a transaction for T2 Biosystems, Inc., a manufacturer of next generation, rapid diagnostic equipment. Through an underwritten public offering, T2 Biosystems issued an aggregate of 7,015,000 million of its common stock to raise gross proceeds of \$52.6 million in cash proceeds from the offering.

T2 Biosystems intends to use the net proceeds from this offering to fund commercial efforts, research and development activities, and for other general corporate and working capital purposes. Pending the use of proceeds described, the company intends to invest the net proceeds of the offering in short-term, interest-bearing, investment-grade securities or certificates of deposit.

This press release shall not constitute an offer to sell or the solicitation of an offer to buy these securities, nor shall there be any sale of these securities in any state or other jurisdiction in which such offer, solicitation or sale would be unlawful prior to the registration or qualification under the securities laws of any such state or other jurisdiction.
